Case No.: 2:21-cv-00726-JAD-BNW

Order Denying Motion to Reopen Case

[ECF No. 78]

Rodney L. Marshall brought this civil-rights action under 42 U.S.C. § 1983, alleging that a Department of Corrections (NDOC) Medical Director Michael Minev and NDOC Gregory Bryant violated his Eighth Amendment rights by delaying or denying him care state cancer. A successful settlement conference resulted in a settlement agreement and led dismissal of this case with prejudice just three months ago.¹ But Marshall now asks court to reopen this case, explaining that he is “having problems medically and . . . not ng help.”²

Because this case was dismissed with prejudice, Marshall must file a new action if he desires to pursue his new claims. IT IS THEREFORE ORDERED that the motion to reopen this case [ECF No. 78] is DENIED.
